... Wait **72h**

After opening the compression bag (Note: Please do not cut with a knife, so as not to damage to the product), the corners around the cushions if there are wrinkles, you need to wait for about 72 hours, it is recommended that guests pat and knead the corners of the sofa, in order to sponge better recovery. If needed, contact the seller to provide a video of patting and finishing the sofa.

If you need any help, please take a picture and contact the seller.

—About the state of the cushion bag/pillow

- Pat to make it rebound better and fluffy.
- Knead your cushion like giving your cushion a massage while allowing the air to flow through the foam.
