II. Assembly instructions

How to set up the bassinet

WARNING: Please follow the instructions step by step. Do not push down the center bottom base until all top bars are locked and rigid.

STEP 1 >

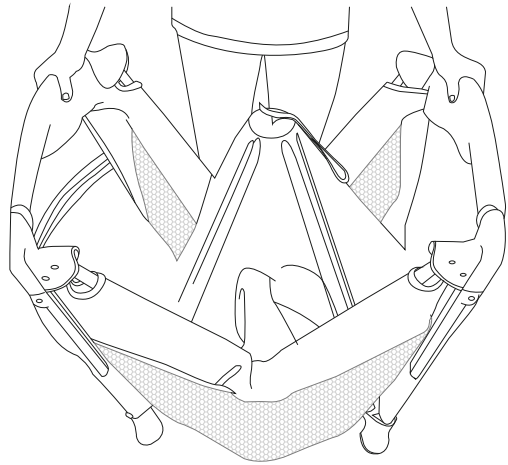

Remove product from carry bag and undo the Velcro straps of mattress.

STEP 2 >

While keeping the bassinet bottom base high, pull up the short bars in a quick upward motion to lock into place.

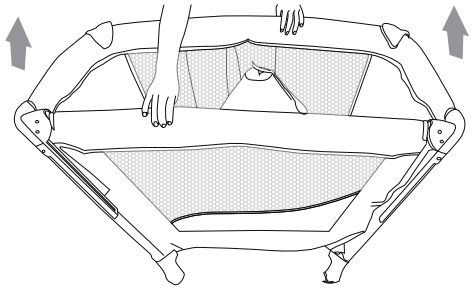

Note: There are two unlocking mechanisms on each bar, please try to pull it quickly and avoid to grab the center unlocking mechanisms.

STEP 3 >

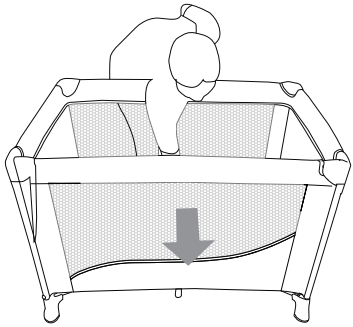

While keeping the bassinet bottom base high, pull up the long bars in a quick upward motion to lock into place.

Note: If a top bar does not lock into place, pull the base higher and try again.

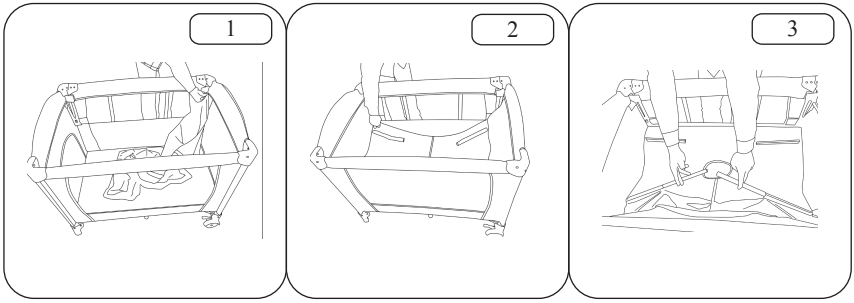

STEP 4 >

After four top bars are locked and rigid, reach through the access hole on sleeping nest bottom and gently push down the bottom base until it is locked.

STEP 5 >

Zip up the second sleeping layer, install six mattress support bars into fabric tunnels on the second sleeping layer.

⚠ WARNING

Failure to follow these warnings and the instructions could result in death or serious injury.

SUFFOCATION HAZARD

Babies have suffocated:

- On pillows, comforters and extra padding.
- In gaps between a wrong size mattress, or extra padding and product sides.
- **NEVER** add soft bedding or padding.
- Use **ONLY** mattress provided by manufacturer.
- Always place baby on back to sleep to reduce the risk of SIDS and suffocation.
- If a sheet is used with the pad, use only the one provided by the product manufacturer or one specifically designed to fit the dimension of the product mattress.

STRANGULATION HAZARD

- Children have STRANGLED when their necks became trapped between bassinet and play yard frames.
- Remove the bassinet anytime child is in the play yard
- Strings can cause strangulation! Do not place items with a string around a child's neck, such as hood strings or pacifier cords. Do not suspend strings over a product or attach strings to toys.
- Do not use if any part of the bassinet is broken, torn, or missing.

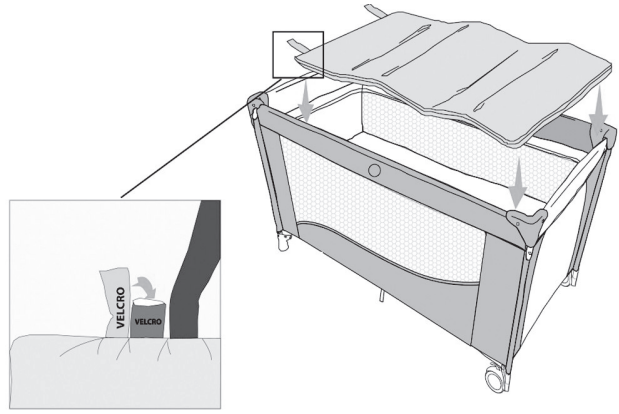

FALL HAZARD: To help prevent falls.

Do not use this bassinet for a child

who can roll over or who has reached the height of 25 in. (635 mm), weight of 19.8lbs/9kg or 3 months old, whichever comes first. Remove this bassinet when a child is in the playpen. Do not place in or near this bassinet any cord' strap or similar item that could become wrapped around a child's neck. Do not place this bassinet near a window or a patio door where a child could reach the cord of a blind or curtain and be strangled. Check this accessory regularly before using it, and do not use it if any part is loose or missing or if there are any signs of damage. Do not substitute parts. Contact the manufacturer if replacement parts or additional instructions are needed.

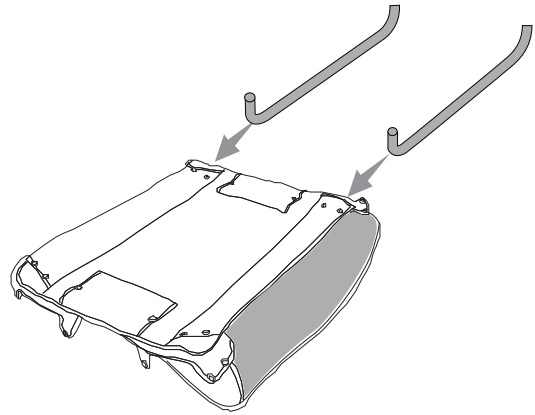

STEP 6 >

Lay mattress on second sleeping layer. If a gap is visible on either side of the mattress after installing, reposition the mattress. There are Velcro behind the mattress and the second sleeping layer that can be used to fix the mattress.

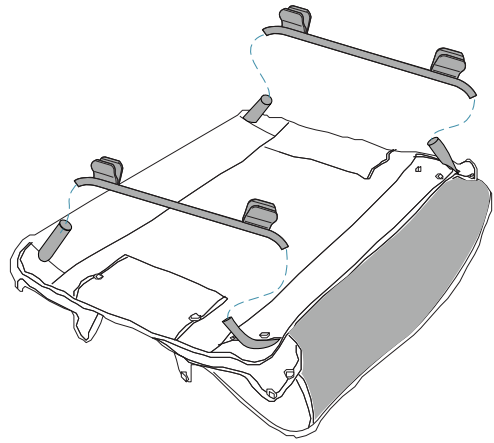

STEP 7 >

01
Insert two holding bars.

02
Connect two locker bars with holding bars.

ASSEMBLY

TO ASSEMBLE PORTABLE ROCK-A-BYE BASSINET

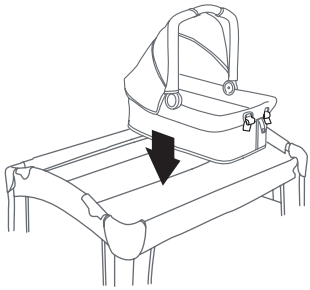

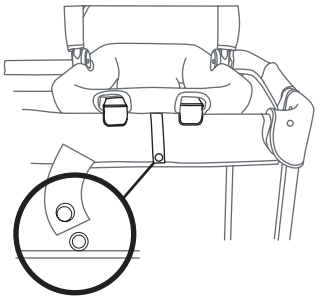

- Locate the 4 clip fasteners on the bottom of the Rock-A-Bye Bassinet .

- To attach the Rock-A-Bye Bassinet to the Playard, lower it into the large bassinet. Push down on the 4 clips and secure it onto the large bassinet railing . Secure the two snaps on the strap down onto the Playard .

  ATTENTION: Playard and large bassinet must be fully assembled and securely locked before installing or using the Portable Rock-a-Bye bassinet feature.

- Reverse the step above to remove the Rock-A-Bye Bassinet.

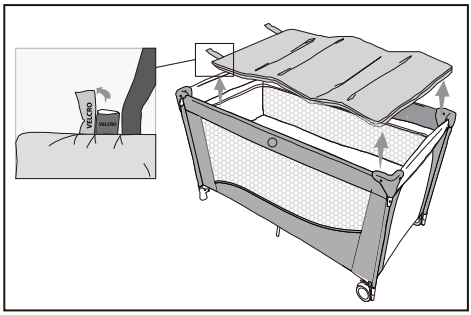

⚠ WARNING

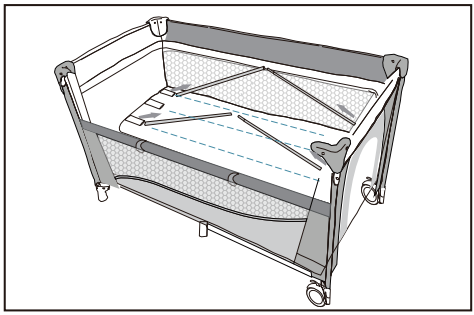

The diaper changing table and the bassinet cannot be used simultaneously.

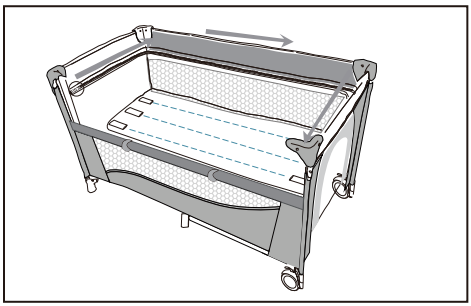

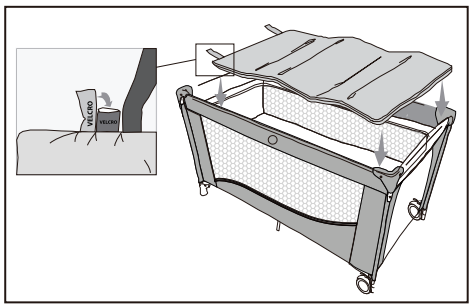

How to use as Baby Playard

Take out the mattress, remove the mattress support bar and the second sleeping layer, and then place the mattress on the bottom layer.

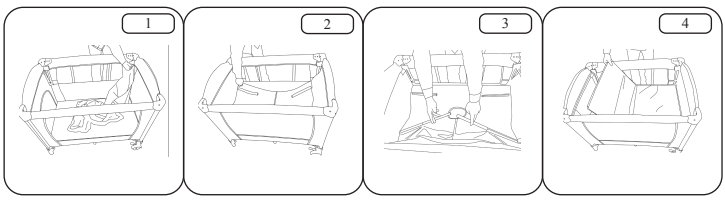

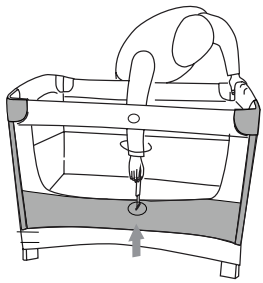

How to fold the bassinet

STEP 1 >

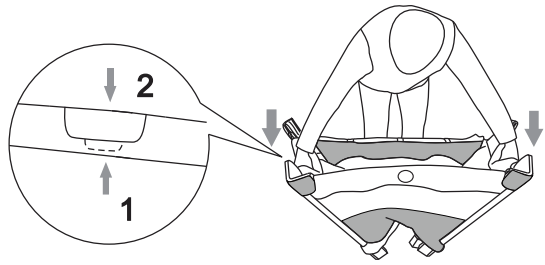

Remove mattress support bars and mattress, and set aside. Reach through the hole of sleeping nest floor to the red release strap, pull up to collapse the bassinet.

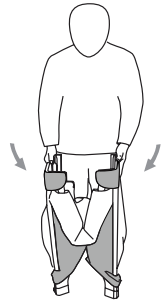

STEP 2 >

Unlock short top rails by raising center base slightly, push on button of rail locks 1 and lower top rails. Repeat steps on top rails on the long sides.

STEP 3 >

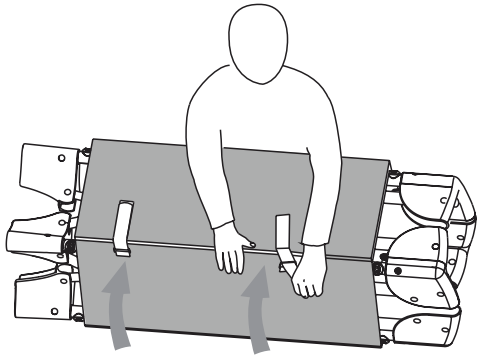

Lift up the bassinet and adjust the corner posts together until the corner posts are straight up and down, and top corner brackets contact each other.

STEP 4 >

Wrap the mattress around the unit. There are Velcro straps that feed through plastic loops attached to the backside of the mattress. Pull taut.

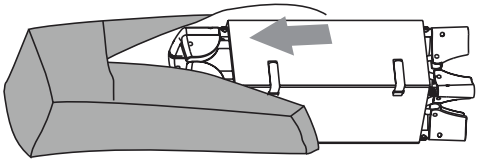

NOTE: Do not cover the top corner plastic brackets inside the mattress, do as shown.

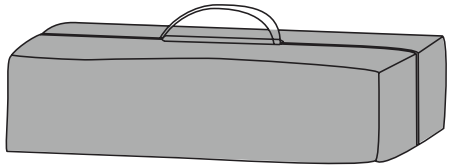

STEP 5 >

Put into carry bag.

do as shown
