

INSTRUCTION MANUAL

Upholstered Platform Bed Frame

IMPORTANT SAFETY INFORMATION

- PLEASE READ THE ENTIRE INSTRUCTION MANUAL BEFORE BEGINNING INSTALLATION.
- IF THIS MANUAL DOES NOT MATCH YOUR INSTALLATION, PLEASE CONTACT US.

WARNING

-  The product is intended for indoor use only. The product must be assembled and used in accordance with the provisions of the manual. Personal injury and/or damage to the product may occur if products are used outside of their intended purposes and/or if products have been changed/modified from their original design. The seller does not assume any responsibility or liability with respect to any injury/damage caused by incorrect assembly or improper use.
-  If there are any defective or missing parts after unpacking, please call technical support or email customer service.
-  To prevent mildew, avoid long-term exposure to humid environments.
-  Keep the product away from fire sources and high temperatures. DO NOT expose the product to direct sunlight.
DO NOT place any hot objects on the surface of the product.
-  To avoid potential damage to the product and flooring during assembly, use a blanket or underlayment to lay out parts.
-  Wear gloves during the assembly and/or disassembly process.
-  Keep the product away from sharp, pointed objects and corrosive substances.
-  Only assemble and use this product on level and solid flooring.
-  Periodically inspect screw tightness after assembly. If necessary, retighten to ensure structural integrity.
-  If you accidentally spill liquid on the surface, immediately wipe clean with a dry towel.

- The product is heavy. Children should not participate in handling. In the event of injury, the seller does not assume responsibility.
- Children should not climb or play on the product during assembly, as this can result in the product turning over and/or falling on top of children, resulting in injury.
- Keep children away from the work area during assembly. Screws and other small accessories may pose a choking hazard.
- To avoid the potential risk of suffocation, keep all parts and packaging (films, plastic bags and foam, etc.) away from babies and children.
- Please store spare parts in a safe place away from children.

Unpacking & Installation Tips

- Make sure you have enough space to lay the parts out before assembling.
- It is recommended that at least two people install this product together.

⚠ Important:

Before securing the slats, adjust them to ensure they are aligned, flush, evenly spaced, and straight.

Note: There are no pilot holes on the side rails for screws. It is recommended to tighten 4 screws in the middle of the frame first, then the remaining screws.
