DL-DR Panel Installation

H09*4

H10*4

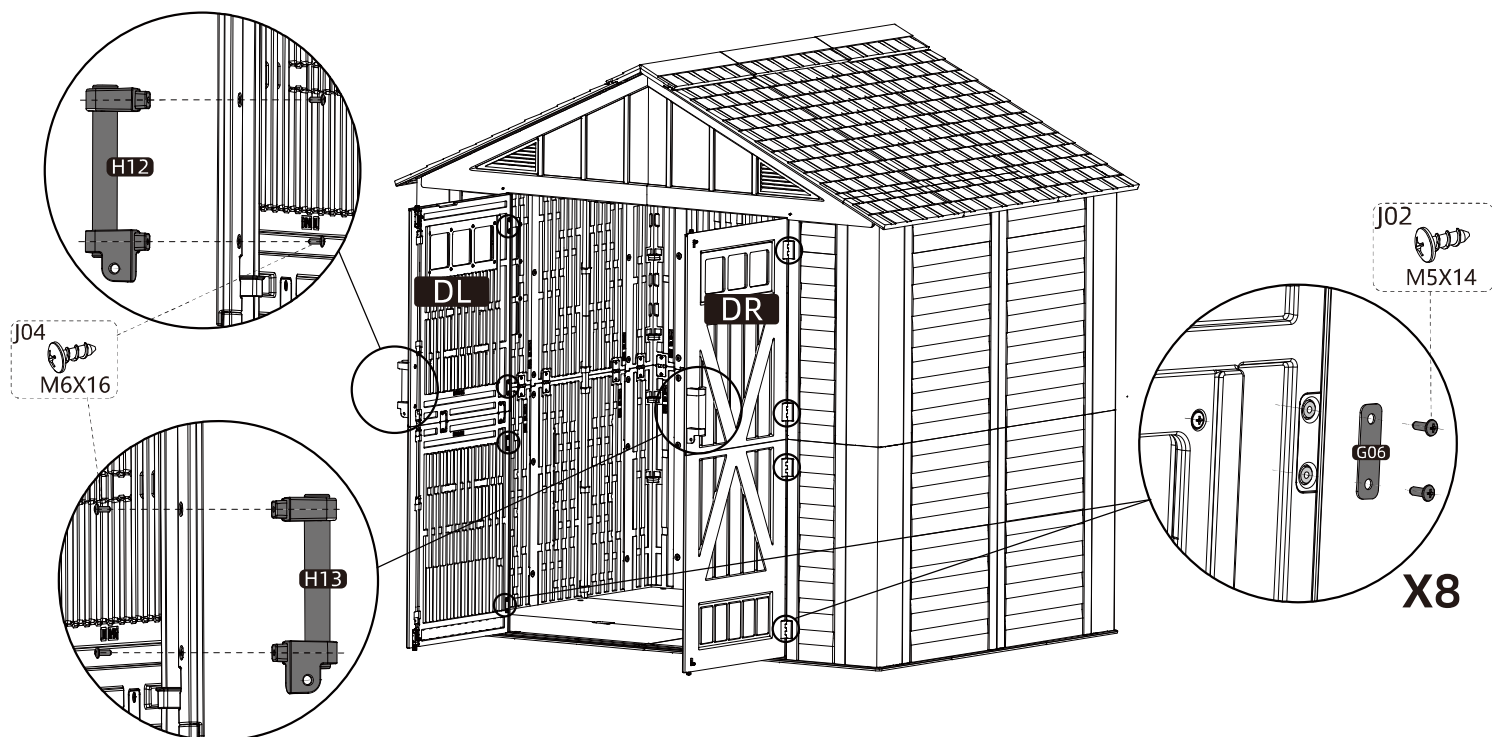

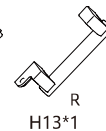

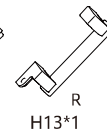

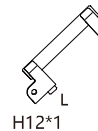

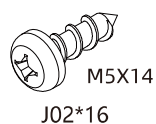

Note: Latch orientation,
DL for inner latch, DR for outer latch.

Pay attention to distinguishing
the installation components for
the left and right doors.

42 DL-DR Panel Installation

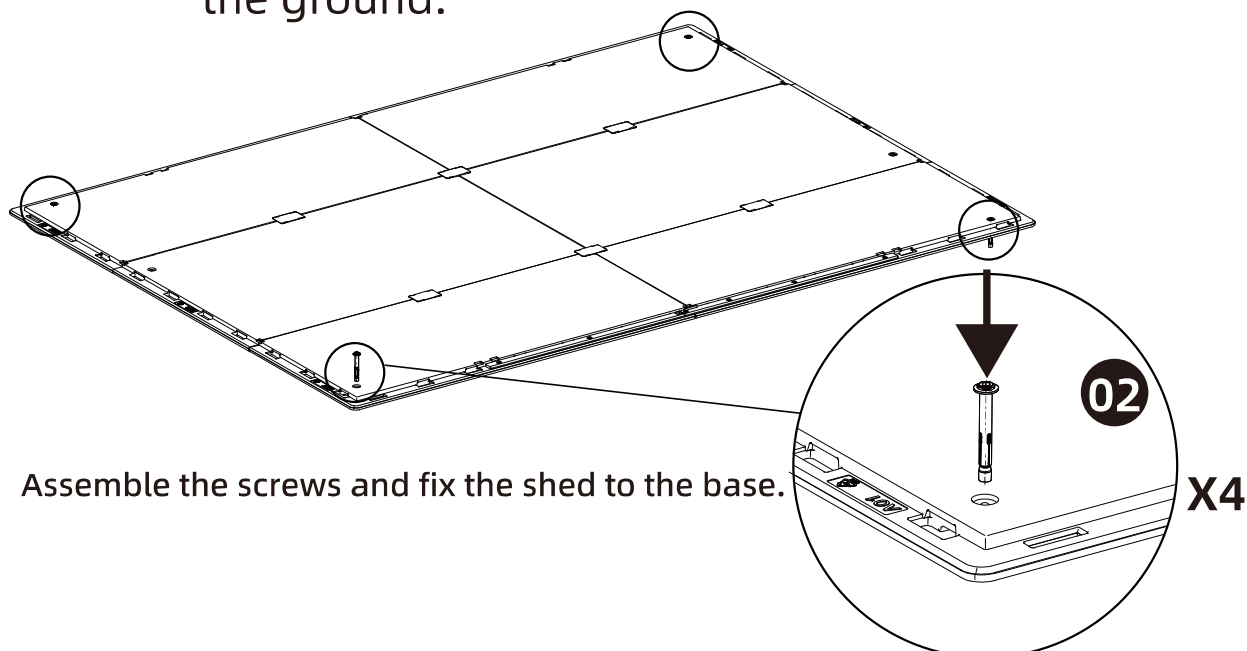

57

43 J12 Ground Stake Installation

- 01 Create four screw holes using a 12mm-diameter drill bit, and drill four 10mm-diameter mounting holes in the ground.

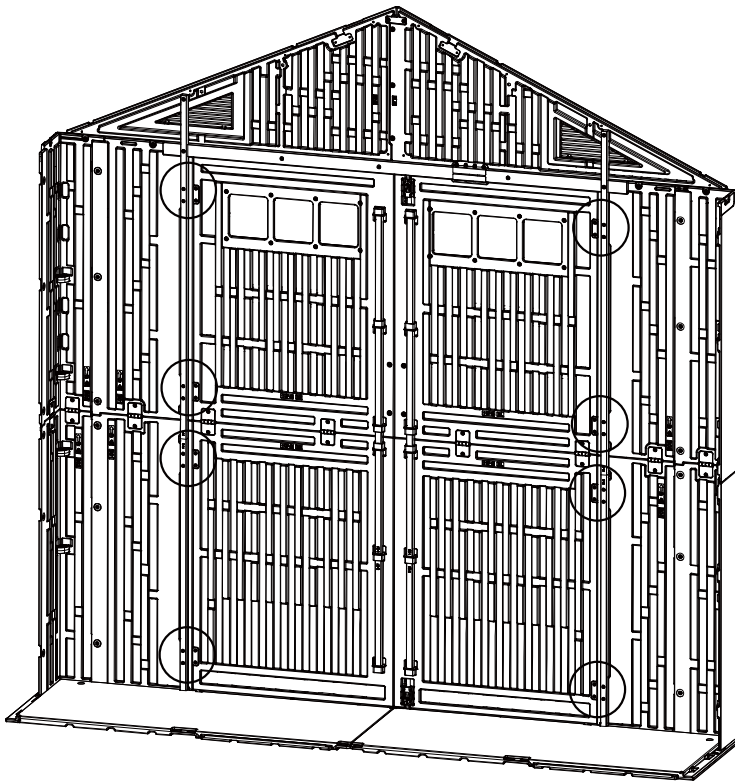

Assemble the screws and fix the shed to the base.

58

44

Door Panel Adjustment

If the door does not close properly , please follow these steps to adjust it:

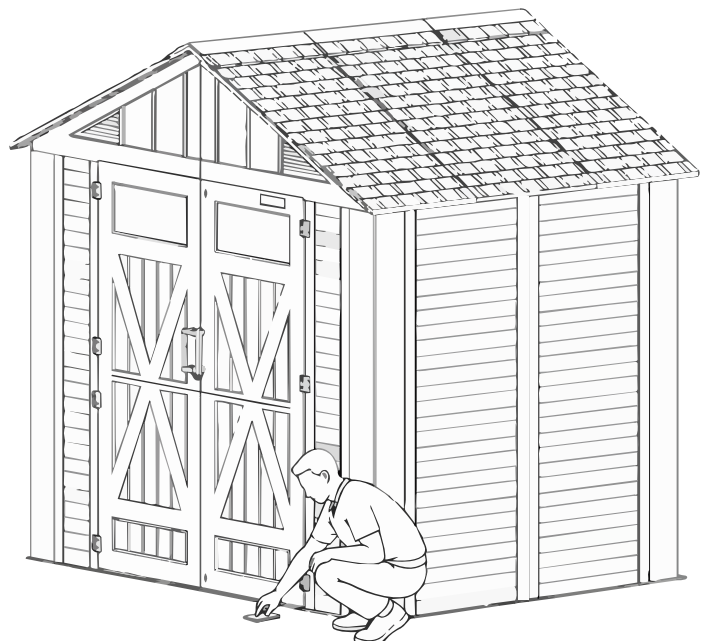

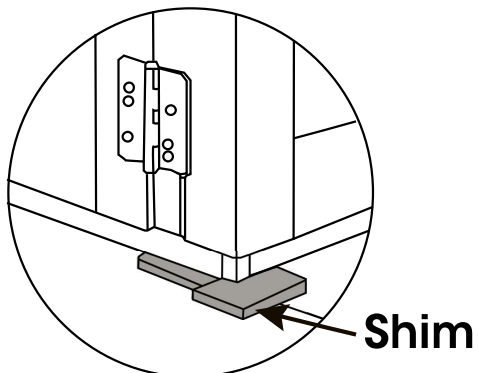

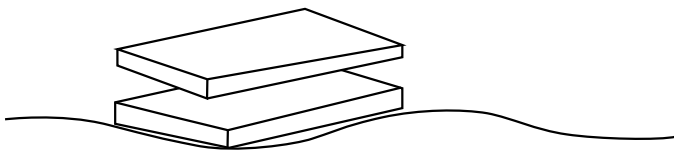

- 1.First, loosen all the screws on the hinges (as shown).
- 2.Close the door, then adjust the gap between the two doors and the gap at the bottom.
3. Tighten all the screws again.

59

45

Door Panel Adjustment

If the door cannot be closed properly or is not closed tightly, please handle it in the following way: Use a spacer to level the shed on uneven ground.
