

Slatted Front Panel (quantity 1)	Back Panel (quantity 1)	Side Panel (quantity 2)
Lid Assembly (quantity 1)	1/8" Bottom Panel (quantity 1)	Hinge (quantity 2)
Small Screw (quantity 10)	Large Hamper Screw (quantity 8)	Chain Lid Stop (quantity 1)
Assembly Instructions:		
	<p>STEP 1. Attach the two Side Panel Assemblies to the Back Panel Assembly with the bottom 1/8" slot to the inside on all three panels (this slot is used to 'capture' the 1/8" Bottom Panel in STEP 2).</p> <p>NOTE: Do not fully tighten the Large Hamper Screws (the screws will be fully tightened in STEP 3).</p>	
	<p>STEP 2. Slide the 1/8" Bottom Panel into the three panel slots until it is fully seated into the Back Panel Assembly and both Side Panels.</p>	
	<p>STEP 3. Set the Slatted Front Panel in place and fully tighten all the Large Screws.</p>	
	<p>STEP 4. Attach the two hinges to the Back Panel Assembly with Hinge Slots using the Small Screws (Phillips head). Flip the lid side of the hinges to the up position.</p>	
	<p>STEP 5. Lay the hamper flat on the floor on its back with the lid aligned under the hinges (line up the pre-drilled hinge holes of the lid). Attach the hinge to the lid using the Small Screws (Phillips head).</p>	
	<p>STEP 6. Attach the Chain Lid Stop to the hamper and the lid using the pre-drilled holes and Small Screws.</p>
