Product Features

- **Come with Remote Control:** Take control with the included remote, allowing you to adjust fan speed and light settings with a simple button press.
- **Quiet & Reversible Operation:** Enjoy whisper-quiet performance with the fan's reversible airflow function. Change the direction seasonally for a cooling effect in summer and warm air distribution in winter, ensuring year-round comfort.
- **Flush Mount Wood Design:** Crafted with solid wood blades, a stylish shell, and a modern lampshade, this low-profile ceiling fan adds a touch of sophistication to any room. The flush mount design simplifies installation, and the fan and light can be operated independently.
- **Efficient Air Movement:** Equipped with a DC reversible motor, this fan operates silently while delivering powerful airflow, enhancing comfort in both summer and winter.
- **Ideal for Various Spaces:** Perfect for medium to large-sized indoor rooms such as bedrooms, living rooms, dining areas, offices, as well as outdoor spaces like covered porches and patios.
