Assembly Instruction

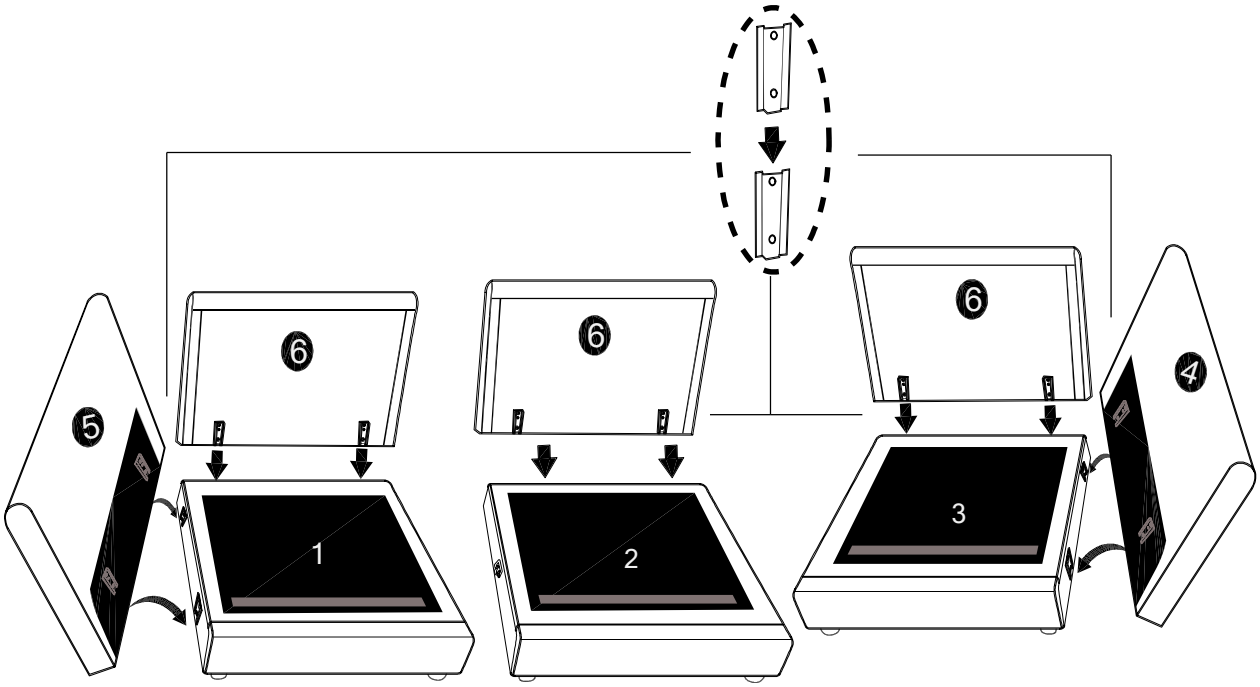

Step 1

Install all the Sofa Legs

Step 2

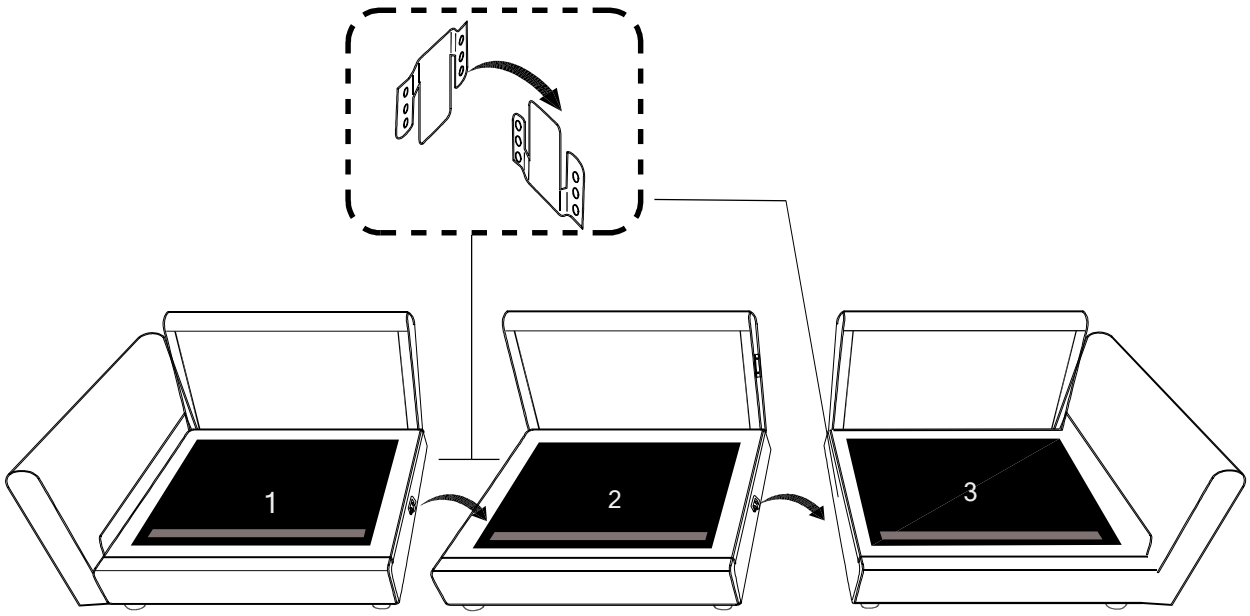

Important Notes:During installation of backrest, ensure that both mounting hardware should be aligned with their slots.Apply even and firm pressure on both sides at the same time to snap the fittings securely sinto place. A certain amount of force may be required for proper engagement.
Warning: If one side is installed first, the other side cannot be properly inserted, which may result in improper installation or damage to the parts.
