

Iron Vertical Back Dining Room Swivel Chair

Assembly & Care instructions

Please read & retain for future reference

Care & Instructions

Thank you for ordering this outdoor dining furniture set. Here are some suggestions that may help you:

1. This set of outdoor Iron vertical back dining room swivel chairs has two in a box.
2. The mat is vacuum-packed. After opening the package, the mat will become thick enough after a period of time.
3. If any parts are damaged or lost, please read this instruction carefully (refer to the parts list on page 4 through page 6), please feel free to contact us. We will send you a replacement immediately.
4. In order to prolong the service life of sofa cover, we suggest that you put all cushions indoors in rainy days.
5. We hope you can like our products, if you have any other questions, please contact us.
