Masterpiece of Motion

Blending sleek design with effortless 360° rotation, The Dagny Light Kit's dual fan heads glide in smooth, whisper-quiet arcs, allowing for infinite positioning and optimal airflow, while the increasing angle enhances its mesmerizing axial rotation. Crafted from durable cast aluminum and heavy stamped steel, it circulates air with exceptional efficiency, offering both function and sophistication. Backed by a limited lifetime warranty, this striking centerpiece is also available without a light kit as the Dagny.
