AUGUSTUS SCONCE

49637

H: 21.5 IN, W: 5.5 IN, D: 6.5 IN

Antique Brass

Contract Suitable As Is

The Augustus Sconce perfectly balances opal glass globes against antique brass arms and backplate. More organic in form the arms of this double-light sconce extend to further cradle the glass globe and to showcase its spherical shape. A subtly sophisticated and strikingly stylish element for modern spaces. Can be mounted both horizontally or vertically. Damp-rated, although limited covered outdoor conditions may affect finish.
