Parts List

Part #	Description	Quantity	Part #	Description	Quantity
A	Birdbath Bowl	1	BB	Washers	6
B	Center Post	1	CC	Nuts	3
C	Base	1	DD	Safety Cap	3
AA	Hex Head Screw	6			

Friendly Reminders

- * During assembly, place the empty carton beneath the casting parts to protect the finish from damage
- * Do not over-tighten! Aluminum is a soft metal, insert screws carefully and don't over-tighten.
- * HOUSEHOLD TOOLS REQUIRED:
Adjustable wrench

1. Turn the birdbath bowl (A) upside down on a soft surface. Attach the center post (B) onto the bowl using 3 hex head screws (AA), washers (BB), and nuts (CC). Tighten with adjustable wrench. Cover with safety cap (DD).
2. Attach the base (C) onto the center post (B) using 3 hex head screw (AA) and washers (BB). Tighten with adjustable wrench.
3. Turn the whole birdbath right side up. The birdbath is now ready.

Special Notes

This birdbath is made with an old world, traditional hand-crafted look. Because of the nature of cast iron or aluminum, you may find roughness on the surface of the design. Slight pinholes are also present in the metal casting that is customary to hand-crafted original iron work. These irregularities enhance the individuality of the piece. They should not be considered defects.

Care and Maintenance

1. Should the finish get scratched down to the metal surface, cover the scratched area with enamel paint as soon as possible to keep the best condition.
2. Cleaning - Use mild soap and water. Do not use harsh abrasive material, cleansers or bleach products. Rinse with clean water and dry thoroughly with rags or direct sunlight.
3. Periodically check and tighten all bolts.
