It is suitable for indoor places such as the living room, office, bedroom, and cloakroom. It can be used as a bedside table, sofa side table, or storage cabinet for storing cosmetics, books, newspapers, magazines, cups, sundries, etc.

Notes

1. Please note that other items are not included, and this product is not **waterproof**, so please do not place it in a wet place.
2. Please allow the slight color difference caused by the shooting light and the 1-3 cm error due to manual measurement, and make sure you do not mind before ordering.
