

## FINNIAN SCULPTURE

**4803**

White Marble

H: 3 IN

W: 10 IN

D: 7 IN

Artistic dualism is realized in this sculpture of simple geometrics. Hand-formed white marble is complemented by brass clad in an antique bronze finish uniting to create an interlocking design. This unique and expressive form is a multi-dimensional work of art for an entryway table or a living room console. Marble and clad may vary.
