

STRIPE, OUTDOOR, WALL MOUNT

DESCRIPTION

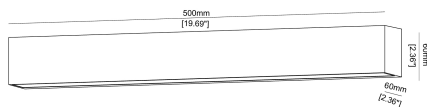

STRIPE delivers clean, linear illumination with a crisp, architectural presence that sits flush and confident against any exterior wall. Its slim rectangular housing stretches light across the façade in a precise, unbroken line, available to cast light downward for focused effect or both upward and downward to activate the wall surface with layered depth. Available in a 23" length for broader applications or a compact 10" version for tighter spaces, STRIPE brings a sharp, modern linearity to outdoor lighting that is as versatile as it is refined.
