

# KPRU36X

Product family	Hood
Hood Type	Under cabinet
Design	Canopy pro-style
Extraction	Vented
Electronic control	Yes
Material	Stainless steel
Stainless steel type	Brushed
EAN code	8017709338572
Hood width	36 "
Aesthetics	Classic
Color	Stainless steel
Finishing	Satin
Logo	Embossed

## Symbols glossary

---

	24h: When selected this function refreshes the air for c. 10 minutes every hour over a 24 hour period, at minimum speed and an imperceptible noise level.		Filters: Model has filters to help remove grease from the steam emanating from the pans during cooking.
	Warning light(s): to advise when filters need changing.		Lights: All cooker hoods feature lights to illuminate the cooking area or add to the ambience of the kitchen.
	Touch controls: Easy to use touch controls allow the appliance to be programmed at the touch of a button.		Intensive/turbo setting: when extra fast extraction is required.
	...		V-Condense System is a system that avoids the drips of condensation that you could show up on the hood within certain circumstance of use.
