

Assembly Instruction Sheet

Package Contents

| Part | Description |
|------|----------------|
| A | Lamp Base Rod |
| B | Half Lamp Base |
| C | Lamp Rod |
| D | Lamp Rod |
| E | Lamp Body |
| F | Cage Shade |

STEP 1

Assemble the two Lamp Base Rod(A) with the Half Lamp Base(B).

STEP 2

Connect Lamp Rod(C) with Lamp Rod(D) together as one.

STEP 3

Determin the angle of the three fixture arms on Lamp Body(E) according to your preference.

STEP 4

Thread the cord from Lamp Body(E) through Rod(D) & Rod(C). Screw the Lamp Body(E) to Rod(D) Snugly.

STEP 5

Connect the wires of same color as one strand. Wrap the connection with electrical tape(NOT INCLUDED) for safety.

STEP 6

Connect Lamp Rod(C) with lamp base.

STEP 7

Fix Cage Shade(F) to the fixture arms. Lock it with screws to secure in place.

STEP 8

Insert your bulb into bulb base.

Your Lamp is now assembled and ready to use.
