

INSTALLATION INSTRUCTIONS

1 Tabletop

2 Table Leg*2

3 Crossbar

Hardware Kit

Steps1

To install table legs: Flip tabletop to the holed side. Align leg holes with tabletop holes and secure with screws from hardware kit. Repeat for the other leg.

Hardware Kit

Steps2

Install the crossbar: Position it between two table legs, fix with angle brackets from the hardware kit, then lock with self-tapping screws. Installation finished.
