# Avant de commencer

## **Instructions de montage:**

Les instructions sont fournies dans ce manuel et contiennent toutes les informations appropriées pour votre modèle de construction.

Lisez toutes les instructions avant de commencer et pendant l'assemblage suivre l'ordre des étapes soigneusement pour obtenir des résultats corrects.

## **Parts and Parts List:**

Vérifiez que vous disposez de toutes les pièces nécessaires à la construction.

Séparer le contenu du carton en fonction du numéro de pièce lors de l'examen de la liste des pièces.

Familiarisez-vous avec la quincaillerie et les fixations pour faciliter leur utilisation pendant la construction..

Les premières étapes montrent comment assembler des pièces apparentées afin d'obtenir des sous-ensembles plus importants.

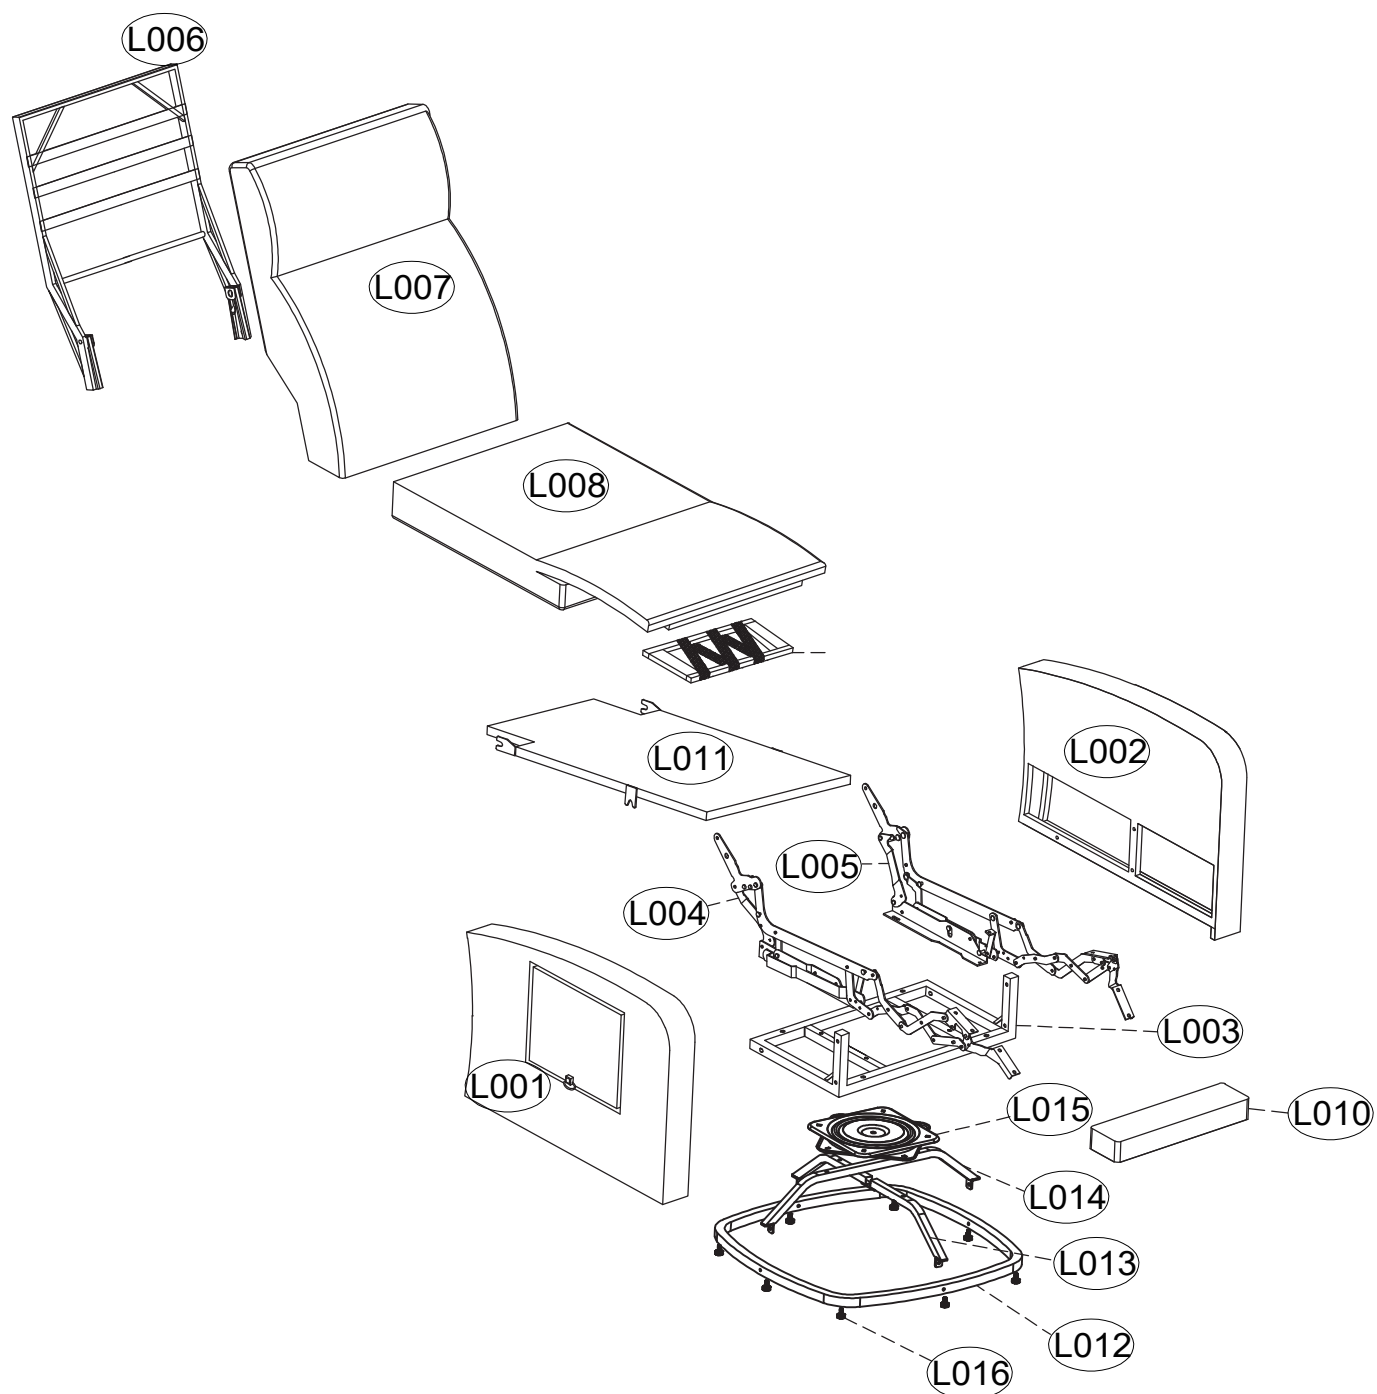

être utilisé ultérieurement.

Toutes les pièces sont emballées dans le carton.

Notez que des fixations supplémentaires ont été fournies pour votre commodité.
