

# ASSEMBLY INSTRUCTIONS

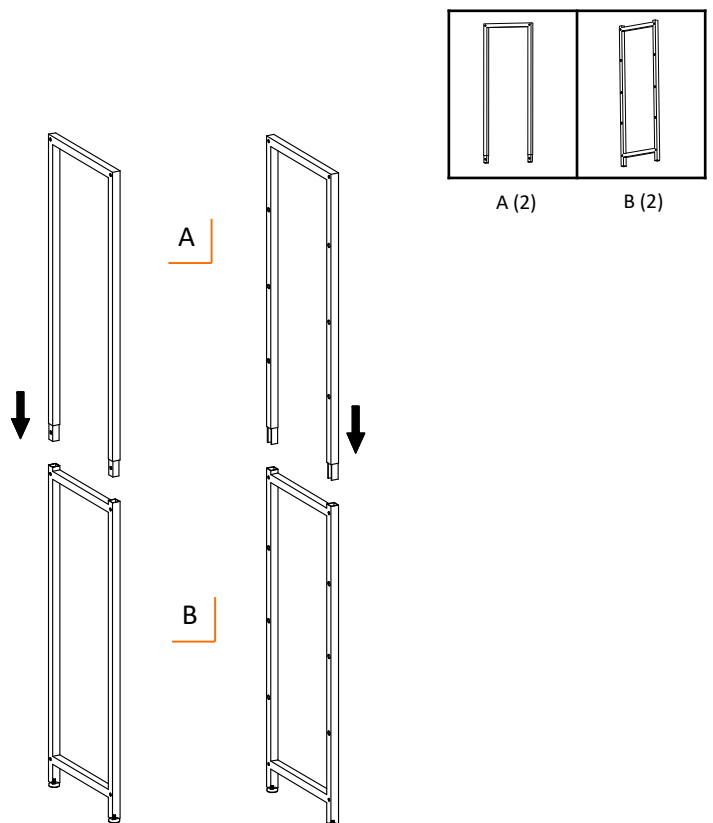

## STEP 1

Screw FEET LEVELER (F) into leg bottom of BOTTOM SIDE FRAME (B).  
Turn clockwise to screw in place.

## STEP 2

Connect TOP SIDE FRAME (A) with BOTTOM SIDE FRAME (B) on their open ends. Make sure the threaded inserts for the Adjustable Shelves are on the same side for TOP & BOTTOM SIDE FRAME (A & B).

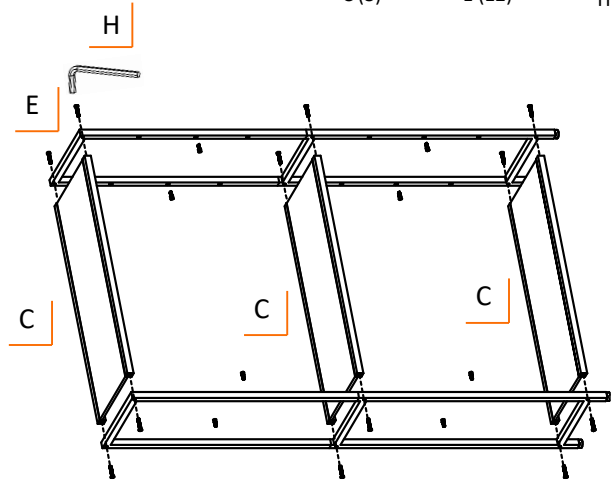

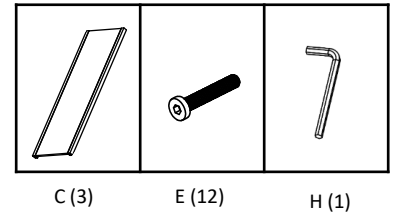

# ASSEMBLY INSTRUCTIONS

## STEP 3

Lay SIDE FRAMES (A + B assembled in Step 2) on its side. Make sure the face with threaded inserts for the Adjustable Shelves faces **INSIDE** as you assemble the **FIXED SHELVES (C)**.

Place **FIXED SHELVES (C)** on their sides and connect them to **SIDE FRAMES (A + B)** at the top, middle & bottom bar positions. Tighten **SCREWS (E)** with **HEX KEY (H)**.

Stand the unit upright.

## STEP 4

Hand screw **ADJUSTABLE SHELF RESTS (G)** into desired level position on **SIDE FRAME (A + B)**.

Place **ADJUSTABLE SHELF (D)** onto **ADJUSTABLE SHELF RESTS (G)**, make sure shelf side notches rest on **ADJUSTABLE SHELF RESTS (G)**.
