

LB5000M

Computerized Sewing & Embroidery Machine

Home Sewing & Embroidery

- 80 Built-in embroidery designs, 103 sewing stitches and 9 fonts
- 4" x 4" Maximum embroidery area
- 4 Interchangeable character faceplates, 10 downloadable Marvel and 10 bonus embroidery designs included

Your sewing and embroidery machine just got more powerful! Take your superhero inspiration to the next level with 3 interchangeable Marvel character faceplates and a Marvel Avengers faceplate. Customize your machine in minutes by switching between the Captain America, The Hulk and Iron Man faceplates with repositionable adhesive. Also included is the Marvel Superheroes Design Pack code for downloading 10 Marvel embroidery designs on ibroidery.com, plus a code for downloading 10 additional superhero inspired designs.

This 2-in-1 sewing and 4x4 embroidery machine allows you to embroider and sew with ease. View your embroidery designs in full color on the large, 3.2" Sew Smart color LCD touch screen display, and preview your design edits on the screen, before stitching. Expanded embroidery design editing features include the ability to change individual thread colors, place lettering in an arc, move designs on the touch screen display with the touch of a finger, and much more. Choose from 80 fresh, inspiring embroidery designs built in or import your own designs through the USB port. Sewing features include 103 versatile built-in sewing stitches, needle up/down and variable speed controls and drop feed for creative free-motion sewing. The expanded 6.4" w x 4.1" h needle-to-arm workspace allows more room for folding quilts and bulkier projects to the right of the needle, for easier sewing. Included are 7 quick-change sewing feet, with spring action zigzag, buttonhole, overcasting, monogramming, zipper, blind stitch and button sewing feet. The spring action zigzag foot is designed with a longer foot, and, combined with the longer 7-point feed dogs, help provide smoother fabric feeding.

Create custom patches, apparel and more with the LB5000M, Marvel sewing and embroidery machine by Brother.
