Product Features

Style: Modern/Contemporary/Mid-century

Material: Metal, Glass

Color: Gold

Base Type: E12 Base

Light Source Included: NO

Voltage: 120VAC

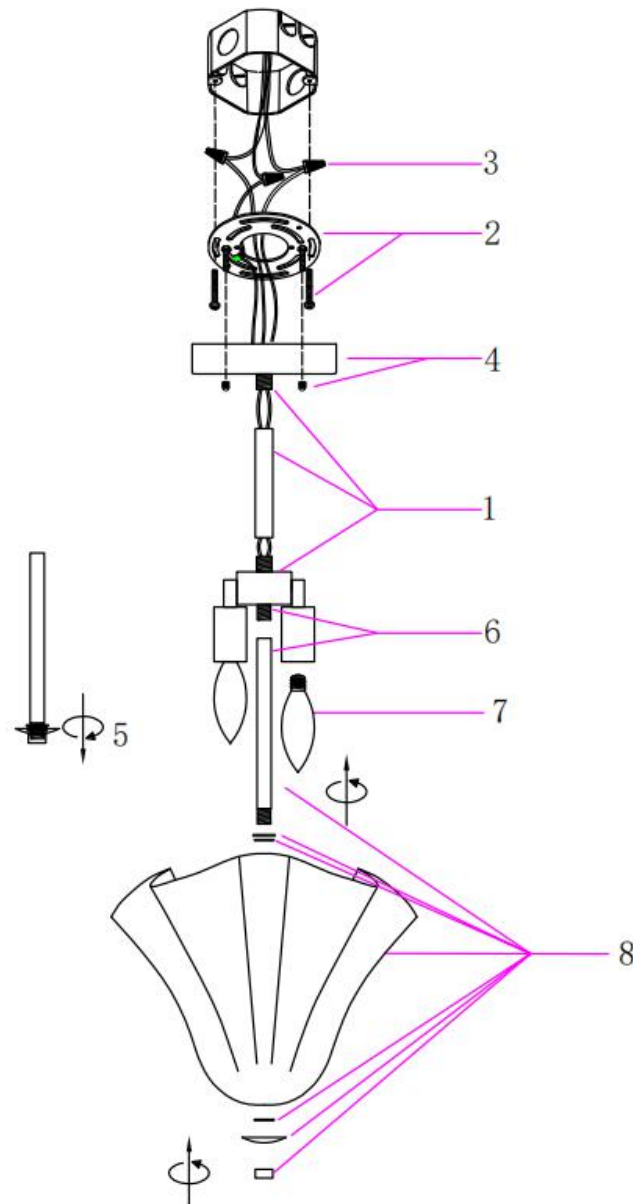

Wattage: 60W

Package includes

1 x Ceiling Light

1 x Accessories Kit

1 x User's Manual

Installation Instructions

1. Thread the fixture wire through the down rod and canopy. Securely attach the lower section of the down rod to the fixture body, then fasten the upper section to the canopy.
2. Attach the mounting plate to the junction box using the provided mounting screws.
3. Connect the fixture wires — neutral, live, and ground — to the corresponding wires in the junction box using wire nuts. Insulate all connections with electrical tape, then neatly tuck the wires into the junction box. Secure the ground wire of the fixture and junction box to the mounting plate with a green screw to ensure proper grounding.
4. Position the canopy over the mounting plate, then secure the canopy to the mounting plate using the ball nuts.
5. Loosen the flat nut, then remove the two rubber washers and one metal washer.
6. Screw the suspension rod onto the bottom section of the fixture body.
7. Install the light bulbs (not included) into the lamp holders.
8. Slide the metal washer, rubber washer, glass lampshade, second rubber washer, and cone cover onto the rod in sequence, then secure the assembly with the flat nut.

Note: please use this product accordingly to its intended purpose, do not retrofit or remodeling the product. The warranty does not cover if the failure is caused by the third party product, or natural disasters.
