

SITTING BIRD BATH

IMPORTANT: Please read the assembly instructions carefully before you assemble.
Make sure you have the parts as identified on the parts list.

Your Bird Bath Contains:

Part 1 	Part 2 
1PC	1PC
Part 3 	Part 4 
1PC	1PC
3 Ground stakes 	

SET UP:

- 1、Screw the long pole (part 2) into the Bottom pole connector(part 3)
- 2、Then screw the pole (part 2 & part 3) into the Base (part 4).
- 3、Screw the basin (part 1) to the top of the pole (part 2).
- 4、If the bird bath is exposed to strong winds it is likely to blow over. Please fit the 3 ground stakes through the holes in the base (4) and push them into the soil for extra stability.
- 5、Now the birdbath is ready for use.
