CozyUp™ FOLDING PET STEPS

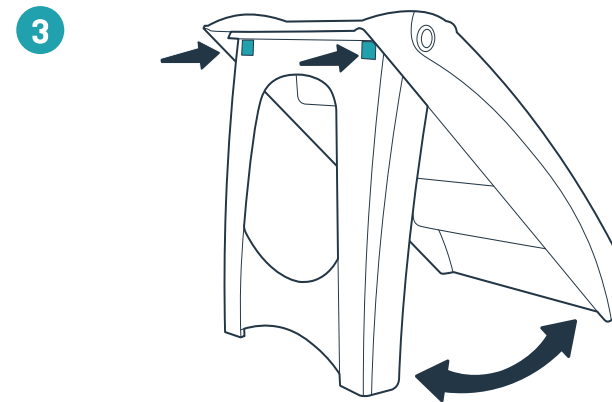

Let's reach new heights together.

Unfold the steps by pulling back on the leg until the locking tabs snap into place. Attach the adhesive-backed fabric treads and feet.

Offer treats to gently encourage your pet to practice walking up and down. With a little patience and lots of praise, your pet will soon be happy using the steps on his own!

To fold the steps for storage, press on both locking tabs and fold the leg under the steps.
