

Assembly Instruction Sheet

Package Contents

Part	Description	Quantity
A	Fixture Body	1 pc.
B	Glass Pane	1 pc.
C	Hanging Chain	1 pc.
D	Ceiling Canopy	1 pc.
E	Mounting Bracket	1pc.

STEP 1

Insert the bulb(Not Included) into the bulb base of Fixture Body(A).

STEP 2

Attach the Glass Pane(B) to the right place of Fixture Body(A).
Fix the Glass Pane(B) to the Fixture Body(A) with the bolts.
Screw the screws of Fixture Body(A) to stabilize the Glass Pane(B).

STEP 3

Connect the Hanging Chain(C) to Fixture Body(A) with the help of fixture hanger loop.
Connect the Hanging Chain(C) to Ceiling Canopy(D) with the help of hanger loop.
Thread the wire of Fixture Body(A) through the hole of hanger loop.

STEP 4

Mark the drilling position on ceiling with the help of the Mounting Bracket(E).
Drill holes on the marks and stick the hook-shaped expansion anchors into the holes.
Fix the Mounting Bracket(E) to the hook-shaped expansion anchors with self-tapping screws.

STEP 5

Hold the fixture close to ceiling.
Connect live line to wire color Red/Black of Fixture Body(A).
Connect neutral line to wire color Blue/White of Fixture Body(A).

STEP 6

Attach the Canopy(D) to the Mounting Bracket(E).

Your fixture is now assembled and ready to use.
