# Safety precautions

## WARNING:

**Read this instructions** before using this product. Failure to do so can result in serious injury. the basic precautions should always be followed,including the following:

1. The walk in chicken coop may not be used or stored in hazardous areas. It is not allowed to use the appliance in hazardous locations.
2. The walk in chicken coop must be checked to ensure that it is in proper working order and is operating safely prior to use. Otherwise,the appliance must not be used.
3. Please clear the roof of the snow regularly, as too much snow will collapse the tarpaulin.
4. The operator must use the walk in chicken coop properly. He must consider the local conditions and must pay attention to third parties,in particular children,when working with the walk in chicken coop.
5. This walk in chicken coop is not intended for use by persons (including children) with reduced physical,sensory or mental abilities or lacking experience and/or knowledge,unless they are super- vised by a person responsible for their safety or are instructed by these persons on the use of the device. Children should be supervised,to ensure that they do not play with the walk in chicken coop.
