

VEVOR[®]

TOUGH TOOLS, HALF PRICE

Technical Support and E-Warranty Certificate www.vevor.com/support

JEEP TUBE DOORS

We continue to be committed to provide you tools with competitive price.

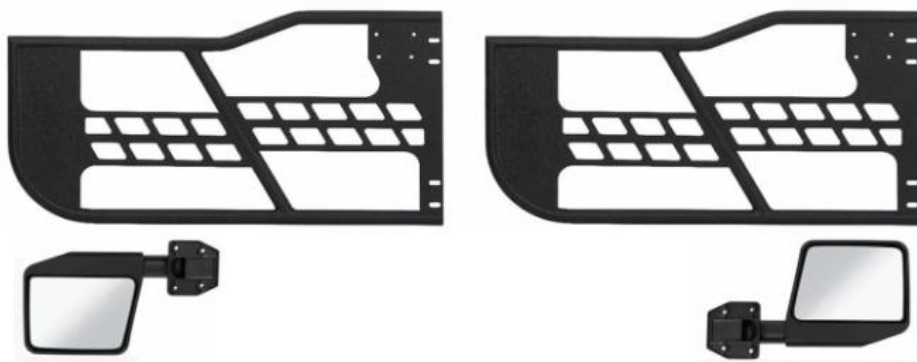

"Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

INSTALLATION

STEP 1: Remove the Jeep Tube Doors

1.1 Remove the cable connection from the original door.

1.2 Remove the screws and lift the door out.

STEP 2: Install the tube door

2.1 Insert the corresponding door hinge into the mounting holes. The limit belt is inserted into the original car limit belt fixing bracket.

2.2 insert the screw through the mounting holes on the door hinge, door, and limit belt, and secure the screw using a flange nut.

Note: This time the screw does not need to be too tight.

STEP 3: Adjust the door lock position.

Try to close the door, so that the lock and the car door frame of the buckle is just in the center of the lock, when the entire closing process is no other abnormal, tighten the screw at the door hinge.

STEP 4: Complete installation of the tube door.

Fix the hinge fixing screw, screw the hinge axial fixing nut removed from the original vehicle (At the square).

STEP 5: Install the rear view mirror.

Use M6x25 hexagon bolts and M6 flange nuts to secure the four mounting holes of the rear view mirror to the mounting holes of the rear view mirror on the front tube door.

Note: Some models (e.g. : YK-GMB-MX-JK-4, YK-GMB-SL-JK-4, YK-GMB-SL-JL-4, YK-GMB-SL-JK-2) do not include the rear view mirror and its mounting accessories. If the set you purchased does not have mirror accessories, please purchase and measure the installation size to confirm whether the installation is suitable.

Congratulations, you're here to enjoy your new Jeep Tube Doors.
