

Medium Indoor Hutch

4 Level

Assembly Instructions

Item #01904

STEP 1

Attach Side Bars to Front and Back Panels using 2 bolts in each location as shown in 1A. There are 4 locations that require this step as show in 1B.

STEP 2

Slide Side Wire pieces down into place as shown in 2A. Attach Top Wire using 4 Bolts as shown in 2B.

HINT: The Track Bar goes on bottom and Square Bar goes on top with holes facing up.

STEP 3

Attach the 4 Wheels to the base of cage.

STEP 4

Slide Bottom Wire Floor into side of cage. Slide black Plastic Pan into front of cage.

STEP 5

Snap the 3 Shelves into place as shown in 5A. Insert Shelf & Ramp into cage and position on wire as shown in 5B. Snap Shelves onto wire as shown in 5C. Assembly is now complete!
