The Lines Between 5

D2198S43946-3546

The Lines Between V is a series of six works on paper that recall the early work of American Abstract painter Adolph Gottlieb. This series features biomorphic forms, abstract symbols, and dream-like landscapes that reflect an inner psyche.

In this work, bold shapes and strong lines command the picture plane and invite the viewer to contemplate an interpretation of the symbolism present. Part of the carefully curated ART by TA collection, The Lines Between 5 invites the viewer to look beyond the surface of the painting to the narrative beneath.
