

HAPPINESS INSTALLATION

Assembly Instructions

Your recliner comes packaged in **One** boxes. Carefully remove all of components from the packaging and set aside for assembly.

CAUTION

DO NOT use any sharp objects to open plastic wrapped components as this may result damage to product or components .

Package Contents

STEP 1:

Install the **Backrest (B,C,D)** on the **Seat (A)** via the metal slide and use the reinforcement **Screws (G)** to install it, and make sure it is firmly installed before use.

STEP 2:

Attach the **Backrest Add-On (E,F)** to the **Backrest (B,D)** via the metal slide, and make sure it is firmly installed before use.

STEP 3:

Note: You must ensure that your hands are dry during the process.

First, connect the **Power Cord (J)** to the seat line, and then connect it to the **Converter(I)**. After the connection is completed, please fasten the safety buckle and connect the **Power Cord (H)** to the **Converter (I)**, then confirm that the line is installed and turn on the power.

Warnings

1. Please check if the components of the chair are all included and can be used normally.
2. Assemble all components according to the instruction correctly before you connect the chair to the power.
3. Please DO NOT sit on the armrests or footrest to eliminate the risk of tipping over.
4. If the chair is damaged or doesn't match the website description, please send clear pictures of the product and label of the carton to our service team for further help.
5. If the recliner doesn't work, you may try the following measures for self-checking firstly:
 - a) Check if all the cables are connected;
 - b) Check if the light of transformer is on.

If the chair still doesn't work, please feed the information back to our customer service in time and we'll help you solve the matter as soon as possible.

6. If you have any questions with the product, please contact us
