- Meets ASTM B performance standards for commercial use
- Lightweight
- Durable & impact resistant
- Ideal for the foodservice environment!
- Easy to clean with soap and water
- Stacks for easy storage
- 3-year warranty

Whether it's outside on the patio or deck, or inside as a dining chair, the Grosfillex Vegetal Armchair will withstand many years of daily use. This sturdy chair is proudly made in USA with air molded technology, and comes complete with a 3 year manufacturer's limited warranty. The solid one-piece construction of this chair ensures that, through years of usage, there will be no loose fittings or joints. The resin material is easy to clean, will never rust and will withstand several years of direct sunlight without fading.
