

Assembly Instructions for Army style Bunkable Beds

Step 1

Unpack both beds and mattress (if applicable) from all cardboard and plastic

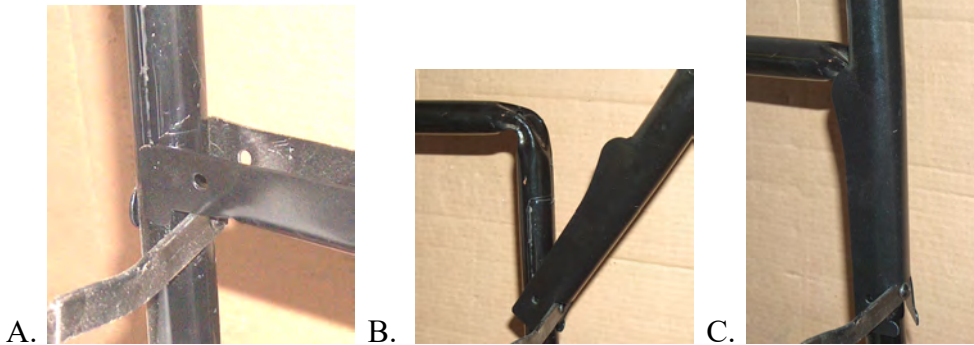

Step 2

Open both beds, making sure to use safety lock on both ends, and put them side by side.

Step 3

Put 1 bunk adaptor in each corner hooking them under the top steel bar that connects the bed base and the headboard.

Step 4

Slide leg of top bed inside each of the 4 bunk adaptors, sliding it all the way down to cross bar.

Put on mattresses and enjoy.

*****WARNING- VERY IMPORTANT:
This type of bunk bed is NOT designed to be used by children*****
