## Give the Entire Office a Raise

Talk about employee perks. Transform any worksurface into sit-to-stand with our 2-or 3-stage bases that promote healthy postures and improved focus while boosting morale. The big bonus? Its ability to support settings ranging from open and private offices to meeting spaces.

### A. Winning Touchdown Space

Come on now, even nomads deserve a healthy place to squat between meetings.

### B. Healthier Way to Work

Invite movement into every office and watch fresh ideas come to life.

### C. Rise to the Occasion

Perfect for those executives who want to stay active, but are too busy to hit the gym at lunch.

Bending To Your Will

Built-in flexibility better than a yoga pose. Coordinate rectangle or corner cove surfaces come in a variety of sizes to fit anywhere. Optional features such as wire management and multiple control options add mobility, convenience, and tech support that's useful by any stretch.

**Change Of Pace**  
Add variety to your work life with a 2-leg base with a rectangle worksurface or a 3-leg base with a corner cove worksurface that ranges from 21 ¾"H to 47 ½"H.

# Options

**Expand Your Horizons**  
Sprawl out or cozy up, it's your call. Coordinate bases work with 23" to 30"D and 24" to 96"W worksurfaces. Worksurfaces larger than 58"W require external stiffener.

**Back To The Bases**  
Enhance your office look with the T-Base and C-Base options.

**More The Merrier**  
Coordinate with more options than ever! Change up your office aesthetic with 6 new control options; basic, memory, paddle, rotator, wireless and hands free.

\*Controlled with the AiDesk smartphone App

**Commitment Issues**  
So you want height adjustability but love your desk? No worries. Coordinate desktop units transform any desk into a sit-to-stand workstation in minutes.

**Power Module**  
Bring power directly to the worksurface.

**Under Worksurface Power Module**  
Four side access outlets make it easy to connect to power.
