

Wallmount Hat Hanger INSTRUCTIONS

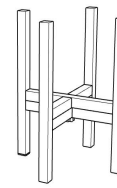

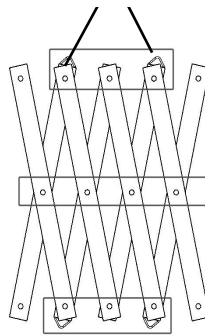

1. Place the back strip (with a hanging ring on the end) as shown in the image. Then, place the front strips onto the back strips.

2. Insert 4 short screws through the 4 corner holes and 10 long screws through the remaining holes from the back side. Fasten the wood rod (with the nut inside) to the screws to secure them.

- 1. back strip - 4
- 2. front strip - 4
- 3. wood rod - 14
- 4. M4 x 30 screw - 10
- 4. M4 x 22 screw - 4

hang to screw head

Drill holes on the wall, fasten screws (clients provide) to wall and hang the top rings to screw heads.

We are here to help. Contact us for any issues before filing returns. God bless.
