

# User Manual

## Welcome:

Thanks for purchasing this **String Lights** of our company.  
Please read this user manual carefully before use.

## Package Lists:

- \* 1 x Sunlight Panel with Copper Wire
- \* 1 x Pole
- \* 1 x Pointed Ground Stake
- \* 1 x User Manual

## How To Install:

Connect the pole with the ground spike

Step 1

Use Screw to connect the pole with the panel

Step 2

Turn on and illuminate

Step 4

Press the "Off" button and to charge 6 hours  
under sunlight or illumination

Step 3

## How to Use:

1. Connect the pole with the ground spike;
2. Use the screw to connect the pole with the panel;
3. Turn on manually at the first time and charge at least 6hrs
4. Choose to cover the Panel or put the string light in a dark environment;
5. Press the 'ON/OFF' button, adjust the 'flash light mode' or 'steady light mode'.

## Friendly Reminder:

1. Turn on the button when first time charging and using.
2. Do not use the light in an environment where it would be exposed to gas, steam, or dust.
3. Do not modify or tamper with the device in any way.
4. Do not use any sharp metal tools or any other object that can scratch the product, as it can rust due to abrasions.
5. Do not let children play with this product.
6. The lights MUST first be charged for at least 6 hours under direct sunlight before use. Otherwise, the lifespan of the built-in batteries will be shortened.
7. You MUST choose to place them in an outdoor location with full direct sunlight where the panel can receive at least 6 hours of sunlight each day.
8. DO NOT place the lights in shady locations. Otherwise, the panel will not receive enough sunlight charge to allow for proper working at night.
9. DO NOT place the lights anywhere near strong lighting sources such as street lights, which may cause the LED lights to turn off automatically. There is a sensor inside each light to detect brightness and control the light.
10. The surface of the panel MUST remain clean. If it's soiled (ex. dust, mud, etc.) it will not charge properly.
11. How long the light illuminates depends on your geographical location, weather conditions, and seasonal light availability.
12. Please allow for a slight color difference from the picture you see when ordering on a computer monitor.
