

Lockly Secure Pro New Edition Latch Edition PGD628WE1xx

Introducing the **Secure Pro Latch Latest Version**—now with an exclusive Quick-Switch Dual Keypad. Only on this model, you can instantly swap between the advanced PIN Genie keypad and a standard numeric keypad, giving you the flexibility to choose the interface you prefer. It also features our latest 3D biometric fingerprint sensor, now front-facing for seamless access on doors that swing either way. Powered by AI learning, it recognizes your fingerprint in as little as 0.2 seconds. With built-in Wi-Fi, you can control and monitor your lock from anywhere—no hub required. This latest Secure Pro Latch sports a sleeker, more compact design than its predecessor, and includes a Touchscreen Cover for an elevated experience and added keypad protection.
