OFF

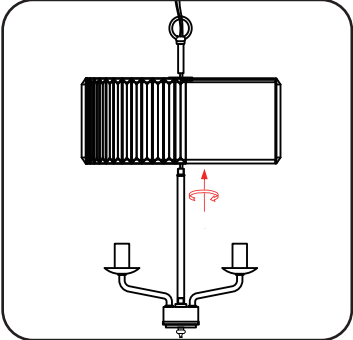

- Read instructions carefully and turn electricity off at main circuitbreaker panel before installation.
- Before installation, make sure all parts are included. If any part is missing or damaged, do not attempt to assemble, install or operate the product.

- 1 -

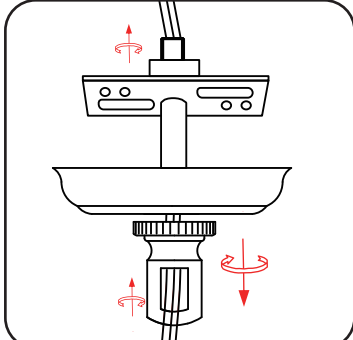

INSTALLATION STEPS

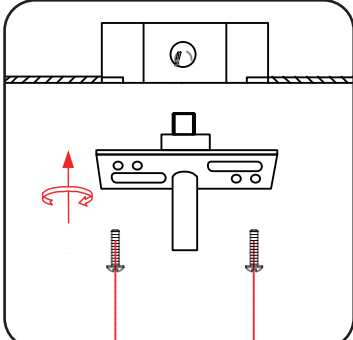

1.Feed the wires of the 4-light head through the Light Pole and tighten it.

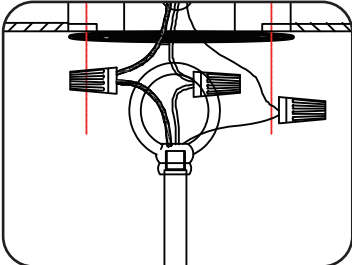

2.Feed the wires through the Crystal Frame and Hanging Ring, then tighten.

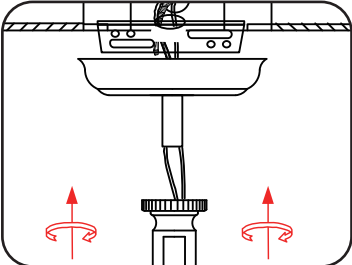

3.Remove the screw assembly from the hanging board, then thread the wires through the screw assembly, the canopy, and the hanging board.

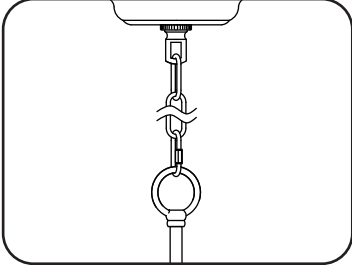

4.Drive the hanging board to the ceiling with the screws.

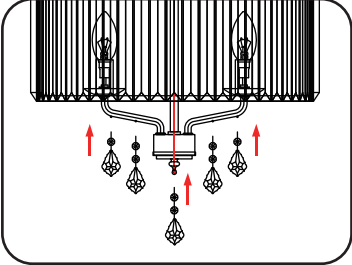

5.Connect the wires from the chandelier to the wires from the ceiling.

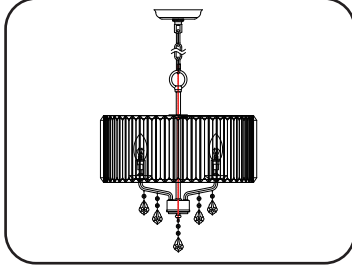

6.Tighten the screws to secure the screw assembly and hanging board.

7.Choose a chain based on the desired length, and attach one end to the light body and the other to the hanging board.

8.Hanging the Crystal, install 4 E12 light bulbs (bulbs NOT included)

9.Completed
