## WHAT YOU GET

Footrest\*1

Rocking Chair Leg Tube \*1

Rocking Chair Seat\*1

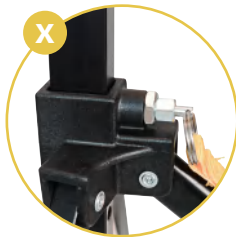

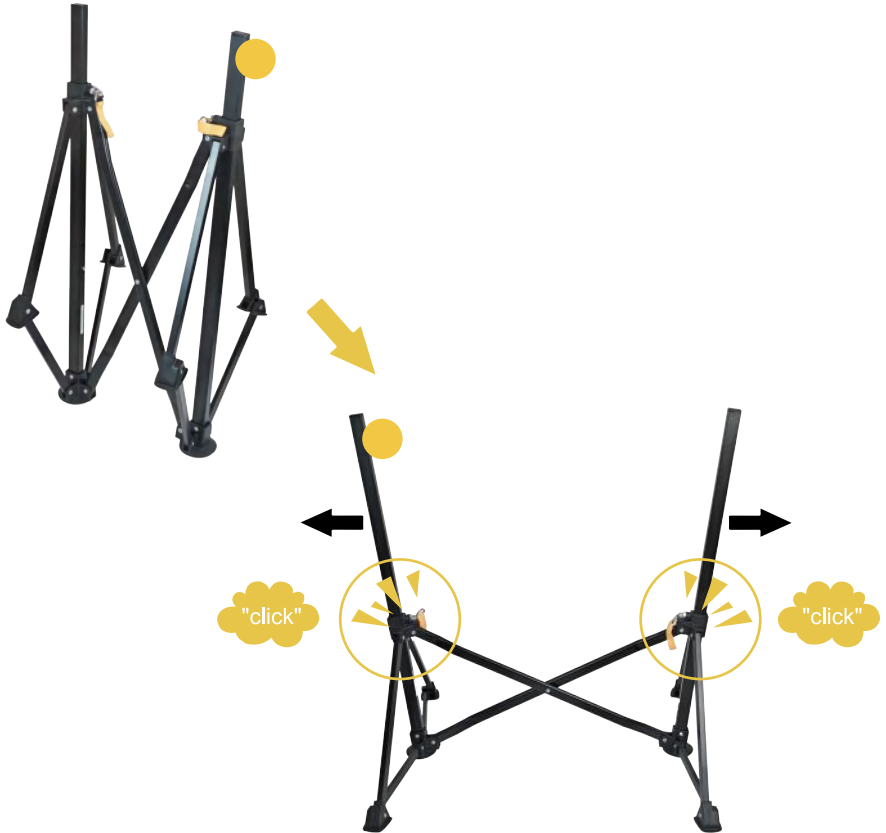

## ⚠ WARNING

- Please use this chair for sitting purposes only; do not use it for any other activities.
- Exercise caution when folding and unfolding the chair to prevent pinching your fingers.
- When transporting, kindly fold the chair for ease and safety.
- Use the chair on a flat and stable surface for your safety.
- To prevent damage or tipping, this chair is designed for one person only.
- Children should sit within the supervision of their guardians and should not use the chair alone. Infants and young children are not allowed to use it.

## INSTALLATION STEPS

# 1

Grab both side support poles and pull them outward until you hear a "click."

- Ensure that both latches on the sides of the chair stand are fully locked! !
- You will hear a "click" sound, then lift both side latches by hand to confirm they cannot move up or down.

## INSTALLATION STEPS

**2**

Install the plastic parts on both sides of the rocking chair seat onto the leg tube brackets and secure them tightly.

Insert the Seat

**3**

Install the footrest into the plastic slot on the underside of the seat, and secure the two clasps to the chair.

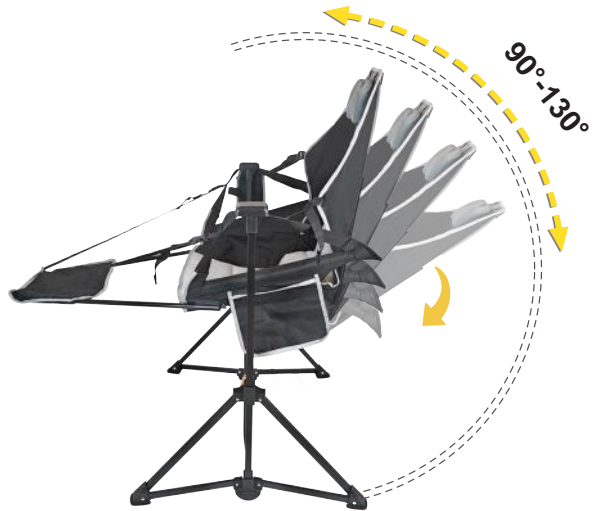

## INSTALLATION STEPS

**4**

Secure the hook at the tip to the side frames.

Adjustable Angle

## STORAGE

**1**

Remove the leg support.

## STORAGE

**2**

Remove the seats.

**3**

Pull out the safety latch with both hands simultaneously and lift upwards, and the chair frame can be retracted.

**4**

Put all the items into the storage bag, and the storage is complete.
