**FinalAssembly**

**Step 9** Mark the position of the holes with a pencil according to the dimensions in the diagram (you need to use a level to make sure they are on the same horizontal line), and then make the three holes with a drill.

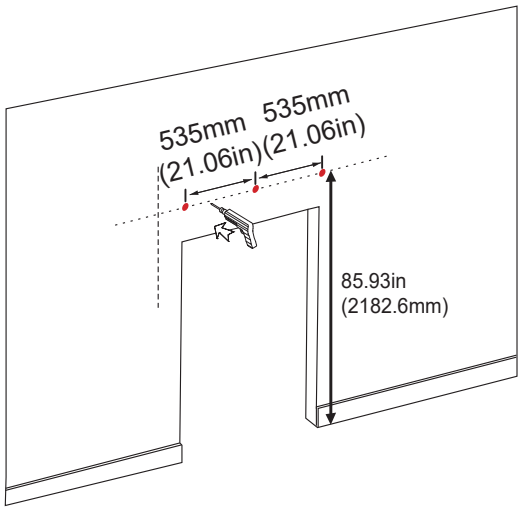

①

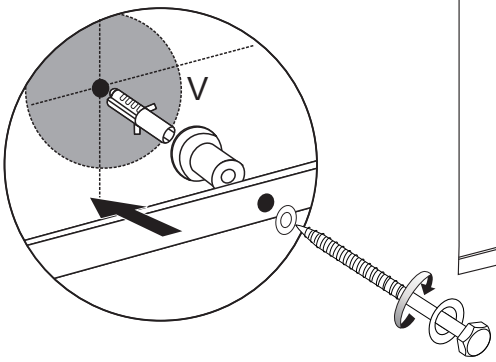

Ⓐ **Drywall installation:** Install the lag bolt to the wood stud or headboard directly

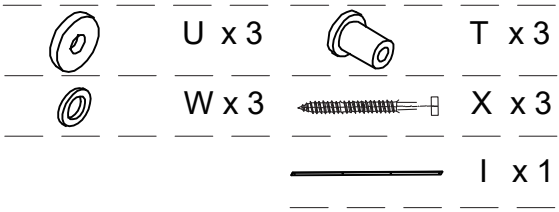

②

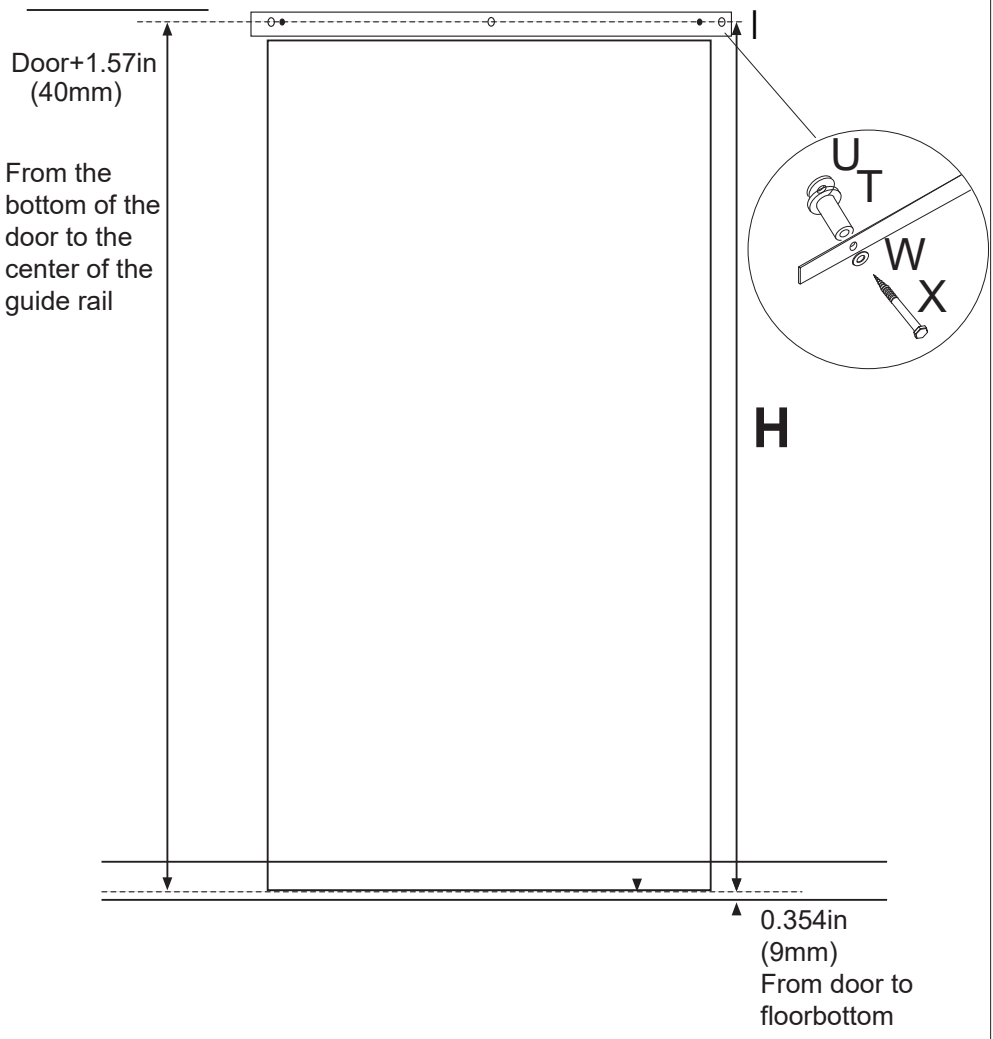

Ⓑ **Concrete wall installation:** Install the anchor to holes on the concrete wall first then install a lag bolt to the anchor.
