8

Fluff out and arrange all branches

9

10

Insert section C1 into section C2

11

Connect all connectors between each tree section

12

Repeat the same to assemble the other trees

13

Scan this QR Code to watch our assembly instructions

Note:

1. Be careful not to pinch any of the light wires (if applicable) between the hinge when shaping the branches.
2. Make sure all bolts are tightly screwed in to keep the tree stable.
3. When not in use, store neatly in a cool, dry location protected from sunlight.
