User Guide

Overview

Role playing is essential to developing early childhood skills for learning, coping, and social interaction. Children learn to share, express their needs, and resolve conflicts which will serve them well throughout their lives. This wooden modular kitchen set is comprised of 9 different units that can be configured in multiple ways to fit your space.

Multiple Configurations

Modular units let you re-imagine your space again and again.

We take pride in our play, products and planet. All of our materials are ethically sourced and constructed of premium-grade wood materials including natural European beechwood and engineered wood from New Zealand. Other environmentally-friendly materials, like non-toxic water-based colors, soy ink and recycled packaging, are utilized across our entire collection.

Maintenance

Our products are preservative-free, so nothing is added that may contaminate or pollute. In exchange, a little extra care is needed. Please keep your new items in a low humidity environment and wipe them clean and dry regularly.
