Step 1

The first step should be to remove the auxiliary fixing plate on the rear legs. Then unscrew the two adjustable foot spikes on the rear legs. After taking off the fixing plate, install the adjustable foot spikes back.

MAINTENANCE AND WARNINGS

Before You Start

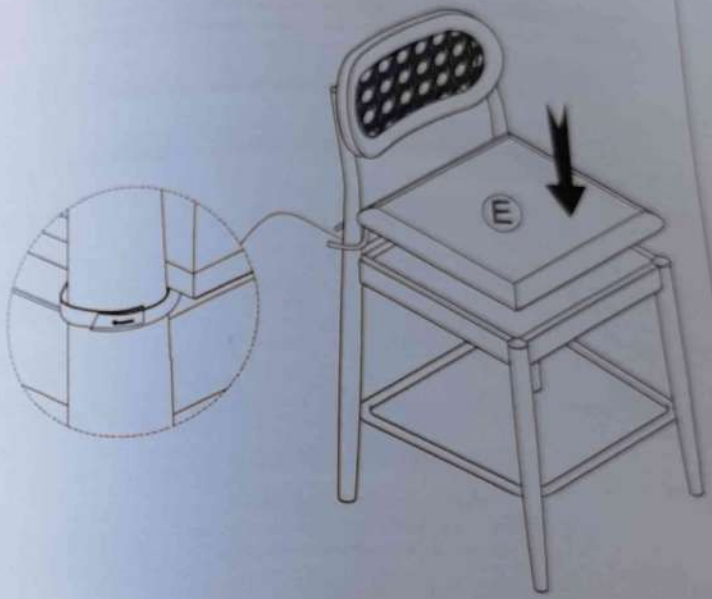

Please follow the steps below:

- Check the packaging for any damage, deformation, or water stains. If there is significant damage, please contact us promptly.
- Unpack the box and compare the contents with the parts list and hardware list to ensure all components and accessories are present and complete.
- Please read the installation instructions carefully to understand the installation steps and precautions to ensure proper installation.
- Clean the installation area in advance and ensure the ground is level and there is enough space to avoid damaging the furniture or making installation difficult.
- Lay a protective mat on the ground to prevent scratching the floor during installation.

After-Sales Service

- If you encounter any issues or need technical support during use, please contact our after-sales team.We offer long-term maintenance and warranty services.
