Light Source Included: NO

Voltage: 120VAC

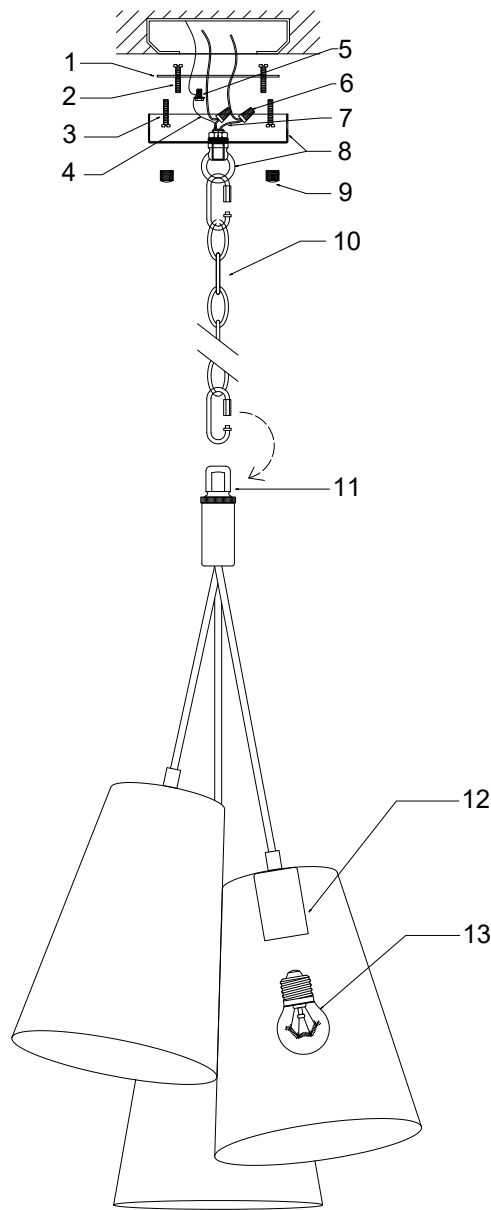

Wattage: 60W

Package includes

1 x Pendant Light

1 x Accessories Kit

1 x User's Manual

Installation Instructions

- Thread the chain (10) through the fixture wire (7) and ground wire (4), then attach it to the fixture loop (11). Pass both the fixture wire (7) and ground wire (4) upward through the canopy (8).
- Fix the mounting plate (1) to the junction box using provided screws (3).
- Connect the fixture wires and the wires reserved on the junction box with wire nuts (6) respectively, then insulate all connections with electrical tape and neatly tuck wires into the junction box. Secure the ground wire of the fixture and junction box to the mounting plate (1) with a green screw (5) to ensure proper grounding.
- Pass the canopy (8) through the threaded bolt (2), then tighten the decorative cap nut (9) to secure the fixture in place.
- Assemble the bulbs (13) (not included) onto the lamp socket (12).

Note: please use this product accordingly to its intended purpose, do not retrofit or remodeling the product. The warranty does not cover if the failure is caused by the third party product, or natural disasters.
