Security instructions

Before assembling check whether all parts listed in the parts list have been delivered. Do not start assembling if parts are missing or damaged.

A failure to assemble this product correctly could cause damage or result in serious injury! Before assembling make sure that you have enough space for the procedure. Assemble on a flat surface.

Keep the assembly instructions available at all times and follow each of the individual steps exactly.

During assembly, be careful with all the parts of the assembly (do not walk on them or distort them) and beware of shearing and trapping risks. Keep children and pets away while setting up the furniture.
