MAINTENANCE AND CARE

Prevent Moisture Damage:

Safeguard your laminate furniture by keeping it in a dry environment. Store the furniture away from damp areas and water sources.

Sunlight Shielding:

Shield your laminate furniture from direct sunlight to prevent color fading and surface deterioration. Consider using curtains or blinds for protection, especially if direct sunlight exposure is unavoidable.

Regular Care:

Maintain your laminate furniture's appearance by gently wiping surfaces with a damp cloth. Avoid using overly wet cloths or abrasive cleaning tools.

Avoid Scratches:

Protect the furniture surface from scratches by refraining from placing sharp or hard objects on it. When moving the furniture, be cautious not to scrape the legs against the floor.

Proper Weight Distribution:

Prevent structural damage by placing heavy objects on stable support surfaces rather than directly on the laminate furniture's surface. This simple step can prolong the life of your furniture.

MANTENIMIENTO Y CUIDADO

Evite daños por humedad:

Proteja sus muebles laminados manteniéndolos en un ambiente seco. Guarde los muebles lejos de zonas húmedas y fuentes de agua.

Protéjalos de la luz solar:

Proteja sus muebles laminados de la luz solar directa para evitar la pérdida de color y el deterioro de la superficie. Considere el uso de cortinas o persianas como protección, especialmente si la exposición directa a la luz solar es inevitable.

Cuidado regular:

Mantenga el aspecto de sus muebles laminados limpiando suavemente las superficies con un paño húmedo. Evite utilizar paños demasiado húmedos o herramientas de limpieza abrasivas.

Evite los arañazos:

Proteja la superficie del mueble de arañazos evitando colocar objetos afilados o duros sobre ella. Al mover el mueble, tenga cuidado de no raspar las patas contra el suelo.

Distribución adecuada del peso:

Evite daños estructurales colocando objetos pesados sobre superficies de apoyo estables en lugar de directamente sobre la superficie del mueble laminado. Este sencillo paso puede prolongar la vida de sus muebles.
