LIMITED WARRANTY

The manufacturer warrants all of its lighting fixtures against defects in materials and workmanship for two years from the date of purchase. If within this period the product is found to be defective in material or workmanship, the product must be returned, with a copy of the original sales receipt as proof of purchase. The manufacturer will, at its option, replace or refund the original purchase price to the consumer. This warranty does not cover fixtures becoming defective due to misuse, accidental damage, improper handling and/or installation and apecifically excludes liability for direct, incidental or consequential damages. As some states do not allow exclusions or limitations on an implied warranty, the above exclusions and limitations may not apply to you. This warranty gives you specific legal rights, and you may have other rights that vary from state to state.
