

MAR CENTERPIECE

LAURA KIRAR

GKATS01
H: 11 IN, Dia: 15.00 IN
Black & Natural, Rattan

This Mar Bowl is a nod to a tropical still life painting. Here it's easy to imagine flowers and fruit flowing from these handmade natural and black rattan vessels that have an urbane quality by the addition of a noir wrapping detail. In-fact, the ink-stained finish, like a class little black dress, finds its importance throughout the collection, allowing many pieces to hold both the place of formal and informal. Finish will vary.
