

# STICKLEY®

## Walnut Grove Tall Chest Walnut Grove Tall Chest

The Walnut Grove Tall Chest shares the chic mid-century modern style and thoughtful Stickley construction found in the collection's other storage pieces, with solid walnut posts, exposed pin joints, and wooden turned knobs accented with brass. A series of gradually deeper drawers provide space for small clothing items as well as bulkier clothes and linens. The chest is a fine example of the sculptural beauty and flowing grain of American black walnut.

**SKU:** 9915-WNT

**Dimensions:**

W39 D20.5 H52

**Materials:**

Solid American black walnut and veneers
