## **Warranty**

This product comes with a 12-month warranty that only damages items not caused by humans from the date of purchase. Please feel free to contact us if you have any questions or problems with products.

We do our best to ensure your goods arrive without any problems.

In the event that a part is damaged or missing, we will provide you with replacement part(s) for free. In order to confirm replacement part(s) content, please contact us and provide images of the problem part.
