## Notes

1. Please carefully read the manual and strictly follow the precautions to have a better experience.
2. Please note that this product does not include watches and other accessories.
3. Please do not manually rotate the bezel, as it may damage the bezel.
4. Please note that the dials of two watches placed on a rotating dial should not be too large, otherwise, a collision may occur.
5. Before placing the watch on the rotating table, please ensure that the strap is fixed on the pillow to avoid collision during rotation. And when the dial is still rotating, please do not take out the watch by hand. Before taking out, you need to turn off the switch.
6. Avoid exposing the bezel to sunlight, water, and other extreme temperatures that may damage the bezel.
7. Please allow the slight color difference caused by the shooting light and 1-3cm/0.3-1 inch error due to manual measurement, and make sure you do not mind before you order.
