### Top Tips before you start!

- 1 Please check that all parts are present before you start the assembly of your furniture, as once assembled, the furniture is exempt from our home approval policy.
- 2 For ease and speed of assembly, we recommend that before you commence each step of the assembly, that you identify all the parts required for that step.
- 3 For larger items, please ensure that you have sufficient space and people to assemble your product safely
- 4 We recommend that, where possible, all items are assembled near to the area in which they will be placed in use, to avoid moving the product unnecessarily once assembled.
- 5 For the protection of your furniture, particularly items of high gloss finish, we recommend that the product is placed on a protected surface during assembly to prevent any damage.
- 6 During assembly please take care not to over-tighten any fittings, as this may damage the product.
- 7 Always place the product on a flat, steady and stable surface.
- 8 Do not sit or stand on the product.
- 9 This product is intended for indoor, household use only as it is non industrial product.
- 10 Metal parts are not rust proof

### **Care and Maintenance of your Furniture**

- Please periodically check all fittings are re-tighten as necessary.
- To clean your item, please use a damp cloth and wipe clean.
- Never allow any kind of liquid to remain on your furniture. Absorption can cause wood to warp or finishes to de-laminate.
- Please do not place hot items (e.g. hot drinks ) directly on to the wood surface.
- Please do not drag and pull your furniture.
